Signature

Fields Marked with * are Mandatory Suggestions for Printer

1. One format will be used for one animal.
2. Format should be printed in 2 copies. While capturing the data carbon paper will be used.
3. If the data is not uploaded by the A.I technician himself, main copy will be forwarded for data entry at centralised location (Taluka/district). Lower copy will be office copy at AICenter.
4. Different colours may be given to different copies.
5. Rice paper (thin paper) should be used, to enable impression upto last copy.
